Your Trustful Partner in Asia

With more than 20 years of working experience in Finance, Accounting and Business Administration in the region and its “Bi-Cultural” (European/Asian) Management Team **B P Solutions** is the Trustful Partner you are looking for in Asia.

A Bridge between Europe and Asia

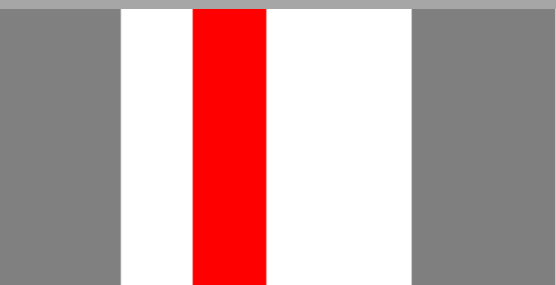

More and more European Companies of any size and even individual Entrepreneurs have decided to explore and take up the new business opportunities offered by Asia. With its in-depth knowledge of the administration rules of both sides of the bridge **B P Solutions** helps you to set up and to grow your business in Asia especially in Singapore, Malaysia, Vietnam, Hong Kong and The Philippines.

Don't waste your Commercial Focus. Let us handle the Bureaucracy

Handling company administrations in Asia is still a ‘bureaucratic burden’ compared to Europe. Don't let your entrepreneurship be crunched by the Bureaucracy. **B P Solutions** will take care of it.

Why choosing Singapore as your Head Office in Asia?

Singapore is not just a ‘nice and clean’ low tax country. This is simply the place in Asia that offers to businesses the easiest and safest procedures in legal, banking, logistics, technology, education, governmental administrations and tax systems. You don't need to invest and have a large office in Singapore. Simply using **B P Solutions'** office address and back-office services is enough to benefit from these numerous advantages and to drive safely your commercial expansion throughout the whole region.

Simply Professional

B P Solutions is a Team of Professionals with university degree in Business Administration, Finance or Accounting and international experience who are trained and committed to solve proactively your administrative burdens.

'End to End' Solutions

Our service range encompasses all kinds of requirements you need to fulfill and perform when opening and running a business in Asia. **B P Solutions** partners with you from your feasibility studies, your company registration, the opening of your bank account etc., up to the processing of your sales orders, the invoicing to your customers, the collection of your receivable, the maintenance of your accounting books, the reporting of your statutory financials and your corporate tax to the local authorities, the preparation of your monthly management reports as well as reporting to your headquarters. While you focus on developing your business we handle your administrative tasks from Simple to Complex... from Scratch to Success.
